

Welcome to Helsinki Summer School 2019!

Helsinki Summer School is organised annually in August by the University of Helsinki. It is an international Summer School offering courses that cover a wide range of academic fields and multidisciplinary topics.

Helsinki Summer School 2019 takes place on Aug 6 – Aug 22. **Benefit from the Early Bird fee and apply before February 28, 2019.**

The final deadline to apply is June 17, 2019. However, the students of the University of Helsinki may apply until July 19, 2019. We recommend applying as early as possible because many of the courses fill up already in the spring.
